

County of Sonoma 2021 Vegetation Management Project Grant Application – Phase 1 Attachment B

In preparation for the 2021 wildfire season, the County of Sonoma is directing \$2-\$4 million to high-priority, near-term vegetation management activities in high-risk areas and near key ecosystems. All interested parties will be required to apply for these early action funds.

The Vegetation Management Project Grant (VMPG) Program supports community resiliency, improves risk mitigation techniques, and increases wildfire prevention. The VMPG Program supports the County of Sonoma's commitment to reducing the risk of wildfires through prevention and mitigation.

Application Process

- Grant applications must be received by **Sunday, May 16, 2021 at 5:00pm** to be considered. Exceptions will not be made, and late submissions will not be considered.
- All eligible and complete applications will be distributed to the VMPG Working Group for review.
- The VMPG Working Group selects projects for funding. **All applicants will be notified in writing of their grant status after the VMPG Working Group selects projects for funding.**
