

## County of Sonoma 2022 Vegetation Management Grant Application – Phase 2 Attachment B

The County of Sonoma is directing up to \$4 million to near-term vegetation management activities in high-risk areas and near key ecosystems. All interested parties must submit an application to be eligible for receipt of grant funds.

The Vegetation Management Grant Program (VMGP) supports community resiliency, improves risk mitigation techniques, encourages multi-benefit, ecologically sound practices that will increase wildfire prevention. The VMGP supports the County of Sonoma's commitment to reducing the risk of wildfires through prevention and mitigation.

### Application Process

- Grant applications must be received by **Sunday, January 23, 2022 at 5:00pm** to be considered. Exceptions will not be made, and late submissions will not be considered.
- All eligible and complete applications will be distributed to the VMGP Selection Committee for review.
- The VMGP Selection Committee evaluates projects for funding. **All applicants will be notified in writing of their grant status after the VMGP Selection Committee completes their evaluation and Board of Supervisors approves the grant agreements.**
