

Job Announcement

STEWARDSHIP SUPERVISOR (1286)

\$104,648.20 - \$127,189.09 ANNUALLY

Summary

The Sonoma County Agricultural Preservation and Open Space District (Ag + Open Space) permanently protects the diverse agricultural, natural resource, and scenic open space lands of Sonoma County for future generations. We are currently recruiting for a full-time Stewardship Supervisor - a critical team member with a leadership role in Ag + Open Space's Stewardship Program. This position reports to the Ag + Open Space Stewardship Manager. This is an excellent opportunity to join a mission-driven organization with a passion for protecting lands that contribute to Sonoma County's scenic beauty, local agriculture, native habitats and recreational lands.

Duties

The Stewardship Supervisor leads a team of professional staff responsible for supporting stewardship activities for Ag + Open Space protected properties, including monitoring and enforcement of conservation and open space easements, and management of properties owned by Ag + Open Space. The Stewardship Program is responsible for stewarding Ag + Open Space protected lands in ways that benefit healthy communities, clean water and air, diverse habitats, sustainable agriculture, and climate resiliency throughout Sonoma County. In support of the Ag + Open Space land conservation mission, the Stewardship Supervisor will collaborate with and present to the public, with easement landowners, project partners, contractors, agency staff, and oversight bodies including the Ag + Open Space Board of Directors, Advisory Committee, and Fiscal Oversight Commission.

Requirements

Any combination of education and work experience that would provide an opportunity to acquire the knowledge and abilities listed herein. Normally, this would include a Bachelor's degree, or equivalent, with coursework in geography, environmental studies, resource management, landscape architecture, architecture, planning, economics or other related fields, and three years of experience equivalent to an APOSD Planner with Ag + Open Space or four years of increasingly responsible professional planning and/or related project management experience in conservation easement stewardship, open space, parks, environmental science, resource management, or other related fields. Coursework or experience with Geographic Information Systems and lead level experience are highly desirable.

Application Process

The job posting period is June 30-July 26, 2021. All applications must be received by midnight July 26th. Interviews for selected candidates will be held August 1st and 3rd via teleconference. Application instructions are provided on:
