Matching Grant Program Project Recommendations

Amy Ricard, Community Resources Manager, presented a PowerPoint presentation for the Matching Grant Program Project Recommendations. Lori MacNab from LS MacNab Consulting has been working on this year's MGP cycle. Ms. Ricard discussed the history of the program, the eligibility and requirements, the evaluation criteria, and the 2022 MGP process and outreach, which was very robust. In spite of that, only two applications were submitted for this cycle. The Lower Colgan Creek project submitted by the City of Santa Rosa, requesting \$1.5 million, and the Putnam Park Extension submitted by the Earth Island Institute, requesting \$450,000. The MGP Staff committee reviewed the applications and recommended full funding for both projects. The MGP Subcommittee, which consists of members of the Advisory Committee and Fiscal Oversight Commission, reviewed the applications and the Staff committee's funding recommendations and approved those recommendations. Ms. Ricard shared that staff will recommend to the Board of Directors opening

up a second round of the cycle to provide potential applicants with another chance to apply for the remaining \$2,050,000. The recommendations will go to the Board on December 13, 2022.

Staff will take the recommendations to the Fiscal Oversight Commission for approval on November 10 and then to the Board of Directors in December. Chair Whitman asked for vote to have the MGP recommendations go forward. Curt Nichols motioned to approve with full funding and Wendy Eliot seconded the motion. All in favor with one abstention from Steve Rabinowitsh.

For more information, please feel free to contact Ms. Ricard at Ag + Open Space. The PowerPoint presentation is available upon request.

Landowner Outreach & Engagement

Lauren Alpert, Community Relations Assistant, presented a PowerPoint presentation on Landowner Outreach and Engagement. She discussed a survey that went to 150 landowners and the results of the survey and actions being taken by Ag + Open Space from the results of the survey.

Chair Whitman opened the meeting to the committee members for a discussion. The meeting was also opened to the members of the public for comment, but there were none.

For more information, please feel free to contact Ms. Alpert at Ag + Open Space. The PowerPoint presentation is available upon request.

Projects in Negotiations

Jennifer Kuszmar, Acquisition Manager, said that the Soda Springs appraisal was taken to the Fiscal Oversight Commission last week and was approved. An offer was made to the landowner and staff are waiting to hear back.

Sonoma Mountain Vernal Pools is going to the Fiscal Oversight Commission in November.

Several projects in the appraisal phase will be going to the Fiscal Oversight Commission soon and more movement will be seen on the Active Projects spreadsheet.

Announcements from Advisory Committee Members

RULES OF PROCEDURE

On July 20, 1999, by Resolution No. 99-0962, the Board of Directors of the Sonoma County Agricultural Preservation and Open Space District continued the existence of the Sonoma County Open Space Advisory Committee to render advice and make recommendations on certain matters, to participate in the processing of District real property transactions, and to provide broad based citizen input into the operations of the District.

On April 22, 2008 by Resolution No. 08-0374, the Board of Directors of the Sonoma County Agricultural Preservation and Open Space District amended the above resolution modifying Rule 8.

- RULE 1:** Regular meetings will be held monthly on the fourth Thursday at 5:00 p.m. at the District offices located at 747 Mendocino Avenue, Suite 100, Santa Rosa, California and announced by public notice outside the District office.
- RULE 2:** Meetings will be carried out under the terms of Resolution 99-0962 adopted by the District Board of Directors on July 20, 1999, attached to these rules as Exhibit "A".
- RULE 3:** The Committee shall elect a Chair, Vice Chair and Chair Pro-tem to serve at the will and pleasure of the Committee. These officers shall serve one year terms of office with elections held at the first meeting of the calendar year. When the Chair is absent, his/her duties shall be assumed by the Vice Chair. If both the Chair and Vice Chair are absent, the Chair Pro Tem shall perform the duties of the Chair.
- RULE 4:** Meetings will be conducted by the Chair. The Chair shall preserve order and decorum in accordance with these Rules. The Chair's decisions with respect to order shall be appealable by any member to the Committee and the decision of the Committee shall be final.
- RULE 5:** All questions of law shall be referred to the District's Counsel for an opinion.
- RULE 6:** District staff shall prepare an agenda and take minutes for each meeting of the Committee. Staff shall, at least 72 hours before a regular meeting, deliver the agenda to Committee members and post the agenda in a location that is freely accessible to members of the public during regular business hours. Staff will consult with the Chair of the Committee on the content of an agenda at least one week prior to the meeting.
- RULE 7:** Unless otherwise provided by law, the Committee may make any disposition of a matter properly before it that it deems advisable. Committee business will be carried out under the Ralph M. Brown Act.
- RULE 8:** A quorum shall consist of seven members, but no action of the Committee shall be taken without the concurrence of at least a majority of the quorum; provided, however, that the Committee's minutes may be approved by the Committee Chair after receiving any comments offered by the Committee's members.
- RULE 9:** A Committee member may initiate voting on a matter by requesting the Chair to call

for the question. Members may vote "aye", "no" or "abstain". A vote of "abstain" does not constitute concurrence and does not constitute a "no" vote.

- RULE 10:** Due to the importance of Committee business, Committee members should make every effort to attend regular and occasional special meetings. Committee members should contact the General Manager or designee if they are unable to attend. The Committee may report and recommend to the Board of Directors the removal of any member if, within any calendar year, (a) the member is absent from three or more regular or special meetings without prior notification to the General Manager, or (b) the member is absent from five or more regular or special meetings, with or without prior notification of the General Manager.
- RULE 11:** Each agenda shall provide an opportunity for members of the public to directly address the Committee on items of interest to the public that are within the subject matter jurisdiction of the Committee. The Chair may limit the time of each such address.
- RULE 12:** Emergency meetings and special meetings shall be called as provided in Sections 54956 and 54956.5 of the Government Code (Attached as Exhibit "B"). Closed sessions of the full Committee shall not be scheduled nor conducted without prior consultation with the District's Counsel.
- RULE 13:** The Committee may, from time to time, create Standing or Ad Hoc Subcommittees or Working Groups to help carry out the Committee's business. No subcommittee or working group shall have more than six members. A Subcommittee/Working Group chairperson will be elected at the first meeting of the calendar year for each Subcommittee/Working Group. The duty of the Chair is to direct Subcommittee/Working Group business and report back to the full Committee. Membership modifications should be addressed to the Chairperson and/or General Manager. With staff's assistance every attempt should be made to balance Subcommittee/ Working Group membership by both geographic and subject-of-interest representation. Apart from Rule 13, the Rules of Procedure shall not apply to the Subcommittees/Working Groups.
- RULE 14:** It shall be understood by all Committee members that service on the Committee is voluntary and that no claims shall be made for expenses while traveling to and from or while serving on and carrying out Committee business.
- RULE 15:** These rules shall be reviewed by the Committee at the first meeting of each calendar year.
- RULE 16:** Presentations shall be made and any action taken by the Working Groups shall be reported at the Advisory Committee monthly meetings.
