

**Sonoma County Measure F Government Code Section 50075.3 Reporting
Open Space Special Tax Account
Sonoma County Agricultural Preservation and Open Space District
Summary Report of Revenue, Expenditures and Project Status
June 30, 2020 Financial Reports**

California Government Code Section 50075.3 (reporting requirements for a voter approved special tax) states that the levying local agency shall file a report with its governing body, at least once a year, that includes the amount of funds collected and expended in that fiscal year, and the status of any project required or authorized to be funded by that special tax. For the fiscal year ended June 30, 2020, \$24,468,390 in Measure F sales tax revenue was recorded by the County of Sonoma (County) and expenditures of \$17,056,265 were incurred by the Sonoma County Agricultural Preservation and Open Space District (District) to further the mission defined in the Measure F expenditure plan.

The Measure F tax is shown in the County’s Comprehensive Annual Financial Report (CAFR) as a Major Special Revenue Fund titled Open Space Special Tax Account (OSSTA). OSSTA transfers funds to the District for use in achieving the Measure F Expenditure Plan and those expenditures are recorded in the CAFR in a non-major special revenue fund titled Agricultural Preservation and Open Space District. Further details on the expenditures are available in the District’s fiscal year 2019-2020 audited basic financial statements (accessible online at <http://www.sonomaopenspace.org>).

In regards to the current status of projects, the District provides a periodic project status chart to their Advisory Committee and Fiscal Oversight Commission. Following is the project status report as of August 16, 2020 regarding current acquisition and matching grant projects. The most recent map available illustrating the lands protected by the district is included as an informational item in appendix A.
